

A diagram illustrating an attack pattern on a grid. The grid consists of 5 columns and 5 rows. The top row contains 'XX X'. The second row contains 'X XX X'. The third row contains 'X'. The fourth row contains '0 0 0 0'. The bottom row contains '0 0 0'. A white arrow points from the 'X' in the second row, second column down to the '0' in the fourth row, second column. Another white arrow points from the 'X' in the second row, third column up to the '0' in the fourth row, third column. A third white arrow points from the 'X' in the second row, fourth column down to the '0' in the fourth row, fourth column. A fourth white arrow points from the 'X' in the second row, fourth column down to the '0' in the fifth row, fourth column.

```
      XX X
X  XX X
  X
0 0 0 0
  0 0 0
```

Attack Pattern
